1st place: 1.300€

2nd place: 900€

3rd place: 600€

4th place: 300€

5th place: 100€

System of Play

The 2nd CCT Mixed Doubles Cup Geising will be played with 22 teams in a round robin from 5 or 6 teams and playoffs of 16 teams. Each Team has 30 minutes practice before the Round Robin starts. All games are 8 ends with an extra end if needed. In case of a blank in the extra end, the team without the hammer in that end automatically wins the game. Only the final is played with as many extra ends as needed to decide the winner. Quarter-final losers are all ranked 5th place. All games will be played according to the WCF rules. There is no time limit. Please don't delay your games, the game supervision will intervene in case of slow play.

Brooms

Specifications for brushes in elite curling of the World Curling Federation as of September 2016 apply. Team can check the brooms of the opposite team before the game. No complaints about sweeping heads will be accepted after a game is started. We are very confident that the spirit of curling we be applied at our tournament

Choice of stone placement

All round robin games are followed by Last Stone Draws according to the WCF rules. Prior to the first game, there will be a coin-flip to determine which team has the choice of stone placement in the first end.

For the second and all the other round robin games the team with the better LSD from the last game has the choice in the first end. First named teams play with the yellow stones. Stones on the Button will be scored 0.0cm! (no two point measurement, if tied = coin toss).

Throughout all playoff games the higher ranked team in their respective group will have first choice for either stone placement in the first end or stone color. In case of equally ranked teams facing off, the team with the better DSC will have the first choice.

Ranking

At the end of the round robin the ranking for each group will be drawn by following criteria: 1. Win / Loss record 2. Head to head result(s) 3. DSC (The single least favorable result is automatically eliminated when calculating the average distance.)

Umpires

Erik Zimmermann and Holger Schäfer
